 - 1) Termly packages are billed by Mountain Piano at the start and middle of each term respectively, and are to be paid within 30 days.
 - 2) Sign-ups are valid for the whole term, and refunds for exits halfway through the term cannot usually be granted.
 - 3) The student is automatically reregistered for the following term if they do not abide by the school cancellation period. The last day of the cancellation periods for the academic year 2023/2024 are 30. November 2023 and 31. May 2024 respectively. Failure to deregister by those dates may lead to the student still being liable to pay the full fee for the subsequent term.
 - 4) At the start of each term, each student will receive a pre-scheduled weekly lesson time with their teacher. Changes to this timing slot must be agreed with their teacher, and failure to attend this slot cannot result in refunds, and it is up to the teacher to decide whether to repeat this lesson or not.
 - 5) In case of illness of the teacher, either a substitute teacher will take over the lesson or the lesson will be repeated at a later date.
 - 6) Any changes to lesson length or teacher must be approved by the Mountain Piano office in advance of occurring.
 - 7) The costs of instruments and learning material for the student are not included in any way by the term or trial fee.
